I am looking forward to a successful year, filled with many fun and enjoyable opportunities to use the French language.

Soyez Préparé!

Show up to class on time with all of your materials. There is no excuse for late or missing homework.

Soyez Respectueux!

A positive attitude goes a long way. Respect everyone who walks through the classroom doors, whether it is me, another student, another teacher or a substitute. Respect everything in the classroom, including books, desks, projects and decorations.

Soyez Engagé!

Participation is an important part of this class. Speak French whenever you can and raise your hand often. Your grade can improve tremendously with just a little effort.

Soyez Attentif!

The best way to learn is to pay attention. This means that you should not be talking unless it is asked of you. Also, you should not use your cell phones or i-Pods in class without permission!! They will be confiscated!
